

TD3 :

The image shows the Scratch web interface with a project titled "TD-3". The script for the selected sprite (a cat) is as follows:

```
graph TD; A[quand flag est cliqué] --> B[attendre jusqu'à ce que touche espace pressée?]; B --> C[jouer le son Meow jusqu'au bout];
```

The interface includes a top navigation bar with "Fichier", "Modifier", "Tutoriels", "Partagé", and "Voir la page du projet". The left sidebar shows the "Code" tab selected, with categories for "Mouvement", "Apparence", "Son", "Événements", "Contrôle", "Capteurs", "Opérateurs", "Variables", and "Mes Blocs". The right sidebar shows the "Sprite1" and "Scène" panels, with "Sprite1" currently selected and displaying the cat sprite.
