

TD2:

The image shows the Scratch web interface. The top bar includes the Scratch logo, a globe icon, and menu items: Fichier, Modifier, Tutoriels, TD2, Partagé, and Voir la page du projet. The user's name, Merradou, is in the top right. The left sidebar has tabs for Code, Costumes, and Sons. The 'Code' tab is active, showing a 'Mouvement' (Movement) block category. The script area contains the following blocks:

- when green flag is clicked (yellow block)
- move 350 steps (blue block)
- wait 1 seconds (orange block)
- turn 90 degrees (blue block)

The right side of the interface shows the stage with a cat sprite. The bottom right panel displays the sprite's properties: Sprite1, x: -186, y: -125, Taille: 100, Direction: 89. The 'Arrière-plans' (Backgrounds) tab is also visible.
